

EXPRESSION OF INTEREST APPLICATION

Homely Planet is managed by the Charity Beyond Skin who aim to address racism & sectarianism through the arts. As with all Beyond Skin projects, Homely Planet welcomes any partnership programs.

All related projects/programs must meet at least one of the following objectives and relate to Northern Ireland. Culture is a broad term and can define many different attitudes, traditions & beliefs. Homely Planet's primary aim is to address racism & sectarianism, so cultural activities within the broadcast should reflect race & religion.

- Development of cultural relations.
- Have a cultural or religious education element
- Community relations / Race Equality focused
- Music items must be within the world / roots genre at grassroots levels. (no groups with major record contracts).

If you would like to produce your own radio show for Homely Planet please fill out the form below and send to;
